

CHUCK ZUCAL

WEB DESIGNER

I love to Draw, I love Illustration, I love to Render and I love that these have helped me with Design. I think outside of the box and explore things from different angles. I give everything I have into a project and then I give even more.

What's under the hood

Photoshop

Illustrator

InDesign

HTML5, CSS, JS

Muse, BootStrap,

Sublime, Brackets

Few of my favorite things

Digital Art

Web Design

Illustration
