

Caring for Your Kitty

Living with a cat can be fun. But make sure you do your homework before bringing one home with you. Go to petfinder.com to find a breed that will be most compatible with your lifestyle.

Bringing Kitty Home

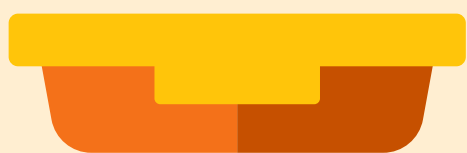

Make his carrier a comfy place and set up litter box and food area

Feeding Time

6-12 months

2 times a day

A combination of dry and can food

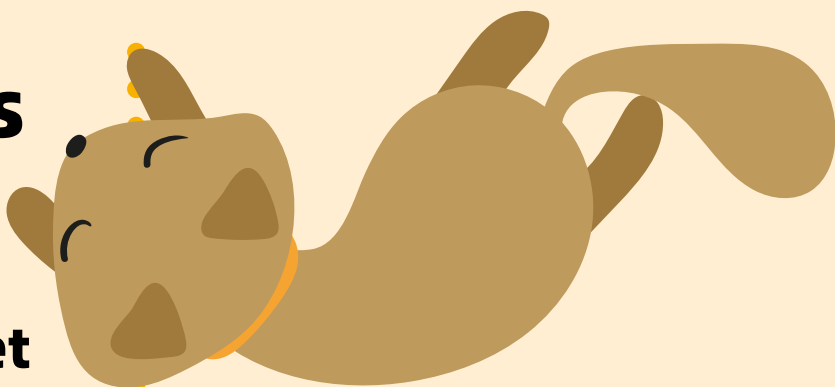

Cat Talk

A cat's meow is reserved exclusively for humans

Know the Signs

Lethargy or loss of energy are signs kitty may need to see the vet

And by All Means -
Make sure you play!
