## Evaluation Hosted Website Builders

ADD YOUR OWN HERE	6.5/10 it is very limited when in free mode
ADD YOUR OWN HERE	It is very slow when you start to edit, seems to slow as you add more

<b>Evaluation Area</b>	<b>Write a meaningful discussion.</b>
Why you picked this app	Seemed liked a easy custom builder
Initial Experience	pretty good experience, everything was easy to do, but when you wanted to do more it got frustrating.
Learning Curve	Have to be able to do a lot with little amount of options.
Working with Editor	Simple and easy, very beginner.
Design options – did you have enough?	Don't believe I had enough for what i wanted to accomplish.
Your overall experience	Overall good experience, but wish i picked another choice.
Would you be able to work with a client to plan and create the website content and design the style and use a Hosted CMS to build?	I believe if i had the good option of this website builder , i would be able to work with a client and achieve there goal
